Summit Life Outreach Center “Our Year in Review”

This was an especially busy year for us! We have been working very hard to get our message out!

We had several articles published in the Niagara Gazette, spoke on a radio station, were interviewed for an Internet show, and went on Channel 7 News! In addition to all of the press we received this year, a half page ad in the Niagara Gazette was generously donated to us.

Several organizations donated generously to us throughout the year! We would like to thank the American Business Women’s Association, the Knights of Columbus, Firth’s Jewelers, WNY Lawyers for Life, and the Niagara Falls City School District Bocce Ball Tournament for choosing us as the recipient for their donations.

Our hard work was recognized at this year’s “Niagara Rises Career Fair and Luncheon” with a nomination for the “Henry Perky, Best Place to Work” award. A huge thank you goes to our Center Director, Corinne Cich, for her tireless dedication to running the day to day center functions along with board member and volunteer, Kathy Hess and all of our center volunteers.

Corinne, along with Rodney Alaimo, Board of Advisor, was invited to speak at the Niagara Falls High School. They spoke to the students in all of the high school health classes about the Center and advised them that we were there for them if they found themselves pregnant or were already a young parent. It was a great opportunity to get our message out to those that need it the most.

As we continue to grow and branch out into our communities, we sustain our strong relationship with the Church, as many of our volunteers continue to speak to congregations throughout the year. This year, Center Director, Corinne Cich and board members Barb Bidak and Liz Bignell took part in two confirmation seminars. They spoke about what it means to be pro-life, along with Dr. Jamie Rehmann, M.D. OB/GYN, Rodney Alaimo, Fr. Peter Calabrese, and Fr. Jacek Mazur at St. Leo’s Church and at St. John de LaSalle.

We would like to extend our heartfelt thanks to all of our volunteers and benefactors, without their dedication to our ministry we would not be able to keep our doors open.

Have a Blessed Merry Christmas!!!

The 5th Annual Summit Life Outreach Center Fundraising Benefit Dinner was a Success!

The Summit Life Outreach Center's Board of Directors would like to thank the Fatima Shrine and all of our volunteers who worked so tirelessly to help make our "5th Annual Banquet" such a success! We would also like to thank everyone for attending and those who supported the banquet by donations of baskets and program ads. Your support and generosity are very much appreciated! The Summit Life Outreach Center would not exist without the generous support from individuals like you!

We would also like to thank Michael Voris, President and Founder of St. Michael's Media and this year's guest speaker at our annual banquet. Educated in Sacred Theology, Michael explained that baptism "makes us soldiers of heaven" and, as such, we must "promote the truth regardless of the cost to ourselves" through "sacrifice in some deep, meaningful way." With a strong reminder that "we're not just saving babies, we're also saving souls," Michael encourages each of us to "Live Our Faith Boldly" as we are all called to be saints.

Avon Fundraiser Coming Up!

Christmas: A Gift of Life... With the Christmas season upon us, many of us look for a charity to reach out to make Christmas a little brighter for those less fortunate. This year, instead of fighting the crowds at the mall or looking for that perfect gift, why not consider giving the gift of life? Why not make a donation to the Center in honor of your loved one and in turn we will send them a special card acknowledging your gift. You can ask your loved ones to do the same for you. Memorial cards are also available to honor the memory of a loved one. Call Summit Life at 716-298-8600 to find out more or to order a card.
